

Dear Parents,

Do you believe we've reached our very last Parent Letter? We decided to send the parent letter early so that you can plan for our events next week. *We will also send it home again on Monday as a reminder.*

It's been a wonderful year made possible by you and everything you do for your fantastic children!

As you may have guessed, the activities for this week will be a little different. In addition to cleaning out desks and preparing the classroom for the year's end, we've planned schoolwork that is both light and fun. There will be no homework this week.

There will be a Social Studies test over World War II on Monday morning. Your child has been reviewing the material in class this week and has their notes and World War II packet in their binders to help them prepare for this test.

The following are events that you may want to be aware of:

- **Monday:** "Read All Day" with your favorite snack. Please bring in a book or magazine to read and your favorite snack. We will begin this time after completing the social studies test. In the afternoon, we will make a book together of our favorite fifth grade memories.
- **Tuesday:** Field Day: Wear appropriate clothing for outside activities.
- **Wednesday:** Game Day: Students may bring in the favorite board game or card game to play. ***Please no electronic games.*** We will also be cleaning out our desks and taking several things home.
- **Thursday:** We will have our end of the year party on this day.
- **Friday:** There will be a prayer service and then an awards ceremony at 9:00 a.m. and then we will return to our classrooms to pack up. **Students will need to wear dress uniform on this day!** *Dismissal will be at 12:00!*

We would like to thank each one of your children for a wonderful year of learning and growth! Have a fun and safe summer!

Sincerely,

Mr. Merriam
Mrs. Castile
