

Put your spelling words in alphabetical order from A-Z	Rainbow write spelling words.	Write each spelling word one time in print and one time in script.
Make smiley faces with your words.	Write each spelling word two times then write each word using capital letters for consonants and lower case letters for vowels.	Put your spelling words in alphabetical order from Z-A.
Write each spelling word. Give each vowel a 3 point value and each consonant a 2 point value.	Write spelling words in shaving cream or salt.	Write spelling words one time in pencil and one time in pen. Circle the neatest one.

Rainbow writing: Student writes spelling word one time in pencil, one time with one crayon color (on top of the pencil), and another time with a second crayon color (again on top of the pencil and 1st crayon).

Smiley Faces: Eyes of the spelling word are the first and last letter of each word and the mouth is the entire word. See illustration.

Point Value: Example: friend =14
