

Mrs. Tillery's Topics and PreK News

April 14, 2008

Dear Parents,

We are completing our mini- unit on dinosaurs. We will begin a fun springtime unit on farm animals and their babies. We are having a blast reading! We are spelling short vowel words and exploring word families. We continue working with patterning and simple addition. In Religion, the theme of the week is the story of the Prodigal Son.

We are very excited over our 4th grade book buddies. We take our library books to our buddies on Friday afternoons and enjoy being read to, one on one in Mrs. Green's homeroom.

Please mark your calendars!
