

## Saint Mary's School Before / After Care

The Before and After Care programs at Saint Mary's Catholic School are not licensed by the state of Georgia and do not require licensing by the state of Georgia. These programs are exempt from licensure because they are not an integral part of an established religious school that conducts an educational program and is accredited by a national accrediting agency for educational instruction (Southern Association of Colleges and Schools - SACS) as recognized and approved by the Georgia Department of Education. These programs are insured (liability) by the Catholic Mutual Group.
