

Dear Saint Mary's Families:

I hope that you are all doing well.

Yesterday, I sent out a letter discussing some of the proactive steps we are taking to be able to re-open our school in the fall.

I am very excited to share with you today that the Archdiocese of Atlanta has just announced that Saint Mary's Catholic School plans to open on August 5, 2020 for in-person instruction for our students. Health and safety protocols will be in place for the protection of our students and staff. These details are still evolving with the work of our own school task force and we will continue to share information with you as plans are finalized.

I would also like to share a link to a video with a special message to Catholic Schools from Archbishop Hartmayer:

We understand that these have been challenging times, but we want you to know that we are here for you as a community.

Please feel free to reach out to [Christa Jackson](#), [Terri Borchardt](#) or myself if you have any questions or if we can help in any way.

Lovingly in Christ,
Jenny Rittgers
