

St. Mary's Pre-K3 Supply and Book List

We are so excited to be getting ready for school. Below is a supply list of personal items and school supplies needed. A way to help prepare your child for the upcoming year is to involve them in the process of choosing items. Please take this list on your summer shopping trips and pick up a few items at a time. Talk about why they might need it at school and help build the anticipation for a great school year to start.

Suggested Reading Before School Starts:

Please choose one or two books from the list to read to your child before school starts. Together discuss what your child thinks they will do at school. Next, let them color their idea (it can be scribbles). Parents please write down what your child says it is. Title the picture, "At school (name) will _____" then put it in their folder ready to bring to school.
