

Dear Parents,

This year due to COVID, classroom libraries will be quite different. Because we are not able to have children touching multiple books, teachers will be having closed classroom libraries. In lieu of this, on Monday mornings, teachers will present several books to the class for check-out for the week. These books **MUST** be kept at school and will not be allowed to go home due to the spreading of germs. The chapter books will be kept until Friday when they will be placed into a “quarantine” for several days before being placed back into the rotation. Students must keep the book they selected for the week; they will be unable to swap out books. We strongly encourage you to send two books from home for your child to keep in their desk or backpack. Please make sure any books sent to school with your child are labeled with their name. There will be no swapping of classroom or personal books among the students. If you have any questions, please contact your child’s teacher.

Sincerely,
