

Summer Preparation for 2nd Grade
2021-2022

Welcome to Second Grade! I am so excited about having your child in my class.

To help keep your child from losing the many things they have learned in first grade, we will be using a book entitled, "First Grade Activities" from Carson Dellosa. Your child will be given this booklet or you can print it from the school website. By the beginning of school in August, all upcoming second grade students will need to complete the entire booklet. The booklets will need to be turned in on the first Monday of the school year.

Students should also read a chapter book of their choice and be prepared to take an AR test when we begin school in August. I have included a list of possible options on the next page, but your child is welcome to read something that they enjoy, even if it is not on the list. Please check www.arbookfinder.com to see if your book of choice is an AR book.

Have a wonderful summer! I look forward to seeing you in August.

Lovingly in Christ,
Melanie Ferguson
