

2023 Summer Work for Third Grade

Welcome to third grade! I am so excited about having your child in my class!

I would like your child to read at least 3 chapter books this summer (minimum 75 pages), if possible. I have attached a list of suggested books - **you are not restricted to this list**. Please select books of your choice. Make a list of the books you read and bring the list the first day of school. Be prepared to take AR tests on the books you read.

I would also like your child to complete the following math score topics (**please complete under the third grade level - Math Score login information is attached**):

*Fast Addition

*Fast Subtraction

*Counting Money

*Place Value to 1,000

*Basic Word Problems 2

Please email me (sspeed@smsrome.org) if you have questions about the summer assignments. Have a great summer!
