

## Pre-K 3 Mrs. Giles

### Suggested Reading Before School Starts:

Please choose one or two books from the list to read to your child before school starts. Together discuss what your child thinks they will do at school. Next, let them color their idea (it can be scribbles). Parents please write down what your child says it is. Title the picture, "At school (name) will \_\_\_\_\_" then put it in their folder ready to bring to school.
